

## Patient Engagement: Making Healthcare Safer

*We, the World Alliance for Patient Safety, support the work of our Patients for Patient Safety Champions in engaging with partners to make healthcare safer. We call on all health professionals, providers, policy makers and leaders to engage actively with patients in our common goal to make healthcare safer.*

*Patients for Patient Safety Champion:*  
**Graham Tanner**

Ms Helen Hughes  
Head of WHO Office for Patient Safety, London, UK

Mrs Susan Sheridan
